

# **BumpRecorder Web**

## **How to download data**

**2016.1.27**  
**BumpReocrder Co., Ltd.**  
**<http://www.bumprecorder.com/>**

# Kind of Download

You can download two type of data

1. Uploaded measurement raw data

It is the same as the data recorded on the smartphone.  
You can use it as storage.

2. Flatness (IRI) data

This is the result of the analysis on the server side.

You can download two way

A. Individual downloads

Raw data and flatness data for each measurement datetime  
You can download.

B. Batch download

In multiple Pick bulk raw data the measurement date and time  
You can download.

# How to display list of Data

- (1) Click MesurmentData
- (2) Click MesurmentData List
